Driver Hurt When Pickup Hits Pole

A pickup truck was demolished and the driver injured Thursday night in a one-vehicle accident near the Santa Fe overpass.

Police reported that Ruben Hoyle of Houston, driver of the truck, was taken to Scott & White Hospital in Temple by a local ambulance. Hoyle suffered neck and back injuries when the truck struck a telephone pole near Foster's Nursery on East 4th St.

The truck was demolished and about $150 damage done to the pole. Hoyle was headed east on the highway when he apparently lost control of the pickup, police said. The extent of his injuries was not known at presstime.

YOE BAND SWEETHEART Margaret Perkins receives a boquet of red roses from John Ben Sutter, band president, during halftime at Friday night's game. Margaret is the daughter of Mr. and Mrs. Stewart Perkins and is a Yoe High Senior.

American Farmer...
FFA Honors Yates

KANSAS CITY, MO.

Bobby Yates of Cameron received the American Farmer Degree Thursday at special ceremonies held here during the 43rd National Convention of the Future Farmers of America.

Bobby, son of Mr. and Mrs. Johnny Yates, was one of 471 FFA members selected to receive the degree, highest in the FFA. As a holder of the American Farmer Degree, Bobby joins a select group representing about one percent of all FFA members.

This is the second time in Yoe FFA Chapter history a member has achieved the American Farmer Degree. John McLerran, 1969 recipient, was the first.

The 471 members awarded the Degree represent the best of more than 430,000 FFA members now enrolled in the nation's 8,175 high school vocational ag departments.

Each American Farmer Degree recipient is presented a gold key and certificate by the Future Farmers of America.

FFA members begin as "Greenhands" and after one year of membership may be advanced by the local chapter to the degree of "Chapter Farmer". The third degree, that of "State Farmer", is presented by the State FFA Association and is limited to no more than two percent of the State's FFA membership in any one year.

Only students who have earned the State Farmer Degree are eligible for the American Farmer Degree.

In addition to having earned the State Farmer Degree, candidates for the American Farmer Degree must have been active members of the FFA continuously for at least three years. They must have

County Losing OEO Medical, Food Program

Milam County officials have been notified that the Emergency Food and Medical Service program will be discontinued effective November 30.

The OEO funded program provided milk for dependent children, special foods for welfare recipients with diet deficiencies, medical care and diet education in cases of malnutrition.

Mrs. Nona Miller has been director of the program since it started here in December 1969.

The Emergency Food program was put into Milam County and 28 other Texas counties following an OEO investigation into reports of malnutrition. In Milam County, where a surplus commodities program was already established, the emphasis was on educating indigents to use the surplus commodities for well-balanced diets, to find diet deficiencies and assure a proper supply of milk for infants and young children.

Judge O. B. Harden said contacts had been made to extend the program, but State Welfare Dept. officials had informed his office that funds were not available from the Office of Economic Opportunity.

"This has been an effective program," Judge Harden said, "and we don't like to see it close."

He said that although Milam County funds had been cut off, counties with Community Action Programs would continue to receive federal funds for the Emergency Food and Medical Service.

Lions Club Sets Light Bulb Sale

The Noon Lions Club will hold its annual Light Bulb Sale Tuesday, October 20 starting at 5:30 p.m.

Proceeds from the sale are used for the Lions scholarship resented to a local high school senior each year.

Club members will sell the bulbs at 6 for $2 in the residential districts and householders are asked to have their porch lights on.

The 130-volt, General Electric bulbs will be available in 100 and 60 watt sizes.

Gov. Smith Urges Voter Turnout In Nov. Election

Gov. Preston Smith expressed his concern this week about voter apathy in the upcoming General Election.

"As I travel around the State," Gov. Smith said in a letter to The Herald, "I am becoming more apprehensive that a great many people may not vote in the General Election on November 3."

Smith said ". . .it will be a bad thing for Texas if, say, only 35 percent of the Texas electorate turns out.

"If such should happen it would be mathematically possible that a winning candidate would have the endorsement of only 18 percent of the qualified voters (less than one of five people)," the letter stated.

Only by a large voter turnout can "the desires of a majority of the people in Texas be reflected in the public offices of our State," Smith concluded.

Milam County Clerk Wayne Wieser reported that 29 applications for absentee voting had been received in his office by the end of the week, "which is about normal" he said.

The absentee voting period opened Oct. 14 and will be open through Oct. 30.

County OK's Milano Paving, Judges, Bids

County Commissioners Thursday agreed to pave a street in Milano, approved changes in election judge appointments, and accepted 6-month bids for commissioners supplies.

Commissioners voted unanimous approval of a request to pave a street in Milano, from Hiway 36 past Sloan's cafe. Estimated cost of the project is $1,600. Judge O. B. Harden said the paving request stemmed from grading problems on the street due to underground water lines.

Changes in election judges for Milam County approved by commissioners Thursday included the appointment of Stewart Perkins as Presiding Judge for Pct. 2 replacing J. J. Heitman who was appointed Presiding Judge, Absentee Box; Mrs. Helen Jamison appointed Presiding Judge of Pct. 7, Jones Prairie, replacing Dick Ellison; Mrs. Carlton Crook appointed Alternate Presiding Judge of Pct. 7.

Commissioners accepted the following bids for materials and supplies for a six month period:

Lumber and Bridge Steel - A. T. Ball, Bryan;

Creosote Piling - Conroe Creosote Co., Conroe;

Grader Blades and Bolts - P. C. Edwards Supply, Palestine;

Concrete Pipe - Concrete Works, Waco;

Galvanized Steel Culverts - Austin Concrete Works;

Gas and Oil - Sinclair Refining Co., Mobil Oil Co., and Texaco, Inc.

Used Highway Beams - Coffield Lumber Co., Rockdale;

Anti-Freeze - Humble Oil & Refining Co.

UR Plan, Part II Is In Washington

Cameron Urban Renewal Agency has been advised that Part II of the city's UR program was approved by Housing Urban Development regional office at Dallas and is now in Washington for final approval.

The local agency announced plans to move its office from its present location at 203 S. Houston to the Cox Building at 105 East Main., formerly occupied by Humble and Magre, Attorneys.

The move is expected to be completed by November 1, agency chairman A. W. McCullin Sr. said.

AREA FOOTBALL...
Yoemen Win ,28-0

The Cameron Yoemen opened their 20AA district campaign by downing Westlake Friday night 28-0.

A strong defense allowed the Chaparalls to penetrate deep into Yoe territory but once. That drive stalled when Ken McLerran recovered a Chap fumble at the Yoe 29.

After a scoreless first quarter the Yoemen marched 31 yards for their first touchdown with Richard Cummings getting the final yardage. Mark Dodson added the extra point.

Then with the Yoemen leading 7-0, Robert Brashear took a Westlake quick-kick and rambled 45 yards behind fine blocking to pay dirt. Dodson again converted and Yoe now led 14-0.

Following halftime ceremonies, which saw Margaret Perkins crowned Yoe Band Sweetheart for the 1970-71 school year, the Yoemen got their third score of the evening when Brashear scored on a dive play. Dodson again converted, bringing the score to 21-0.

A short punt by the Chaps left the Yoemen in good field position at the Chaps 38. Jerry Richardson capped that drive as he slashed his way 20 yards for Yoe's final tally and Mark Dodson added his fourth point of the night.

The defense did a good job as they kept the Chaps deep in their own territory most of the night. After the Yoemen had repeatedly thrown the Chaparall's backs for losses, a short punt was taken at the Chap 31. Quarterback Cummings then hit his split end Carroll Michalka for a first and ten, down to the Chap 20. Jimmy Bailey was stopped for no gain making the down second and 10.

Cummings then struck quickly as he hit his halfback Brashear for a 15 yard gain to the Chap 5.

Full back Ed Whitley got the call but could muster only 3 yards down to the 2. Cummings then elected to keep and dove into the endzone to score. The PAT was good.

Following a fine punt by Ken McLerran, the Chaps owned the ball at their own 10. Yoe line backer, Johnny Bailey broke through and dropped a Westlake ball carrier for a loss back to the 5. Glynn Bloomquist got the call next and was stopped after a 1 yard gain.

Hoping not to be caught in their own territory Westlake elected to quick-kick. Brashear received it at the Chap 45 and with a nifty bit of running, he raced the distance for Yoe's second score. The PAT was again added by Dodson and the halftime score was 14-0.

Late in the third quarter Brashear stepped in front of a would-be receiver and returned it 21 yards to the Chaps 49. Starting at this point, Cummings sent Jim Bailey for 4 yards. With a second and six he handed to Whitley who picked up 5 yards making it third and one. Cummings got the necessary yardage neede for the first.

Now at the Chaps 37, Whitley was stopped after only a yard gain. With a second and nine Cummings turned and pitched to Brashear for a 7 yard gain. Whitley then picked up a first down at the Chap 25. Again it was Whitley's number and he rambled to the 14. Brashear ripped off a tough 4 yards and Whitley added 3 more.

See Yoemen, Page 5.

JV 16, West Lake 6
Freshmen 16, W L 0

Yoe junior varsity and freshmen opened district play Thursday, traveling to West Lake (Austin) and returning home with scores on the winning side.

The JVs downed West Lake JV 12-6 and the freshmen came out on top, 16-0.

West Lake took the opening kickoff in the JV game and marched 50 yards to score.

Cameron was unable to score during the first period and at halftime the Chaparrals led, 6-0.

In the second half Roland Young got Yoe's first tally on an 85 yard pass interception. Jack Chubb's try for two failed and the score was tied 6-6.

Yoe's break came when West Lake fumbled on its own 20 and Yoe recovered and scored with just 30 seconds left in the game. Virgil Jones got the final yards with the conversion attempt failing.

FRESHMEN

The freshmen scored two touchdowns in the second quarter to down the Chaparrals 16-0.

George Whiteside scored first with David Hollas converting. Then Hollas intercepted a pass and ran it back for another score. He again added the extra points.

A strong defense held on as the freshmen picked up their first district win.

Housing Alternatives....

Your Herald is studying the alternatives in housing development, both rural and city, and hopes to present an outline of these alternatives within a few issues.

Nothing seems more stymying to small - city development than need for housing and housing finance.

It is surprising how many alternatives exist, but how new or relatively unknown some of the programs are.

Like everything else in Texas, housing need is changing. It has had much to do with the limited growth of Cameron, Rockdale and Thorndale in Milam County during the past decade.

It is time the alternatives are put where they can be measured and read and, hopefully, acted upon. Our growth in Central Texas and small-town Texas and nation, depends on it. The future of cities and suburbia just might, as well.

For The Record and Mr. Smith....

This newspaper supported Preston Smith for governor in 1968 and does once again in 1970.

We are hard put, however, to understand a pitch against opposition candidacies whose birthplace is outside Texas.

Editor of this publication grew up in the state where Mr. Smith's opponent was born. Birthplace has little to do with a candidate's qualifications.

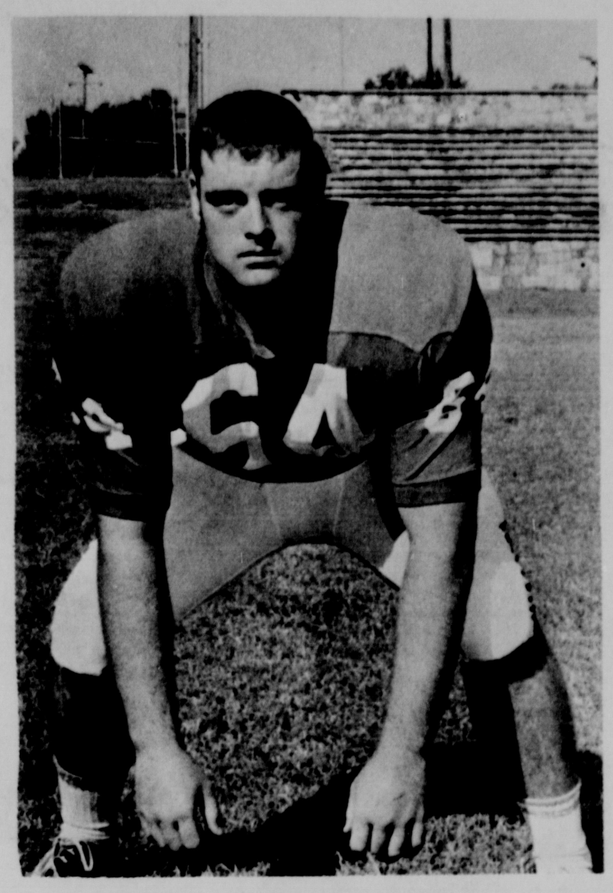
We support Mr. Smith because he is, by far, more experienced, and he is making considerable effort to decentralize Texas' industrial development before it reaches the absurd congested proportions of other industrial states.

This newspaper is people oriented. We believe we think like modern people as well as any spokesman for a political party.

We would remind spokesmen of either party that founders of this state almost all came from somewhere else and even foreign countries. It would seem bad politics, in view of all the modern change in Texas, to challenge a man's birthplace.

It is the qualifications for the time that count. We believe Mr. Smith's qualifications of small - town and small - city background, public service and low - key leadership in an era of hyped-up rhetoric are best for Texas. We would say the same for any state and this nation.

It is a candidate's record, not his campaign commercials, that counts. And Mr. Smith, asking for a second two-year term, has it in this race.



SAM HOUSTON Bearkats will be favored for their homecoming game Saturday when they meet Southwest Texas. A plus for the Bearkats is reserve offensive guard Mike Miller from Cameron who has done all of the Bearkat punting this season and has a 37.7 average.

Miller Gets Punt Crown At SHSU

The Sam Houston Bearkats are looking toward the Lone Star Conference crown and star punter Mike Miller will be in line for special commendation.

Miller, 225 pound, 6 foot 1, offensive guard from Cameron has done all of the Bearkats punting this season. He is currently punting at a 37.7 average and has a long punt of 61 yards.

Significant about Miller's punting is that in 22 punts the Bearkats opposition has returned only six of his punts for 50 yards. A sign that his kicks have been high enough to give the Bearkats punt coverage time to get downfield.

Sam Houston is a definite contender for the Lon Star Conference race and in pre-season play tied perennial national power Troy State of Alabama.

The Sam Houston Bearkats will host Southwest Texas Saturday for a homecoming game that is expected to attract thousands to the Huntsville campus. Both Sam Houston and Southwest Texas are ranked in the lead of Lone Star Conference play.

Miller is the son of Mr. and Mrs. B. L. Miller of Cameron.

Windsor Castle is in the form of a parallelogram, 1,890 feet by 540 feet.

Yoe-Yoes Win 2

Seventh and eighth grade both scored defeats over West Lake Thursday night at Yoe Field.

Scores were seventh grade-Yoe 24, Westlake 0, and eighth grade - Yoe 26, West Lake 14.

Dennis Hollas made the first touchdown on a five yard run in the seventh grade game and passed to Mike White for the extra 2 points.

Next score came on a Hollas pass to Ronnie Bennett, who carried for 18 yards and paydirt. Jafus White ran for the extra points, bringing the score to 16-0.

Final scoring was on a 1 yard run by Stanley Manners. Joey Mondrik ran for points, and the final score was 24-0.

EIGHTH GRADE

The Yoe-Yoes James Bailey led off for the eighth grade with a 15 yard touchdown run. The PAT failed. Bailey again scored on a 2 yard run and again the try for extra points was no good and Yoe led 12-0.

West Lake got on the scoreboard with a touchdown. The Yoe-Yoes then stretched their lead with Jeff Smitherman scoring on a 44 yard pass from Gene Kopriva, who also ran for extra points.

Kopriva added another touchdown for Yoe on a 52 yard punt return. The PAT failed and score was 26-6.

West Lake managed one more on its last play of the game on a 20 yard pass, and the extra point try was good. Final score, Yoe 26, WL 14.

CAMERON'S PARADE OF SPORTS

BILL HARRIS AND MISSY - shown here are Bill Harris and Missy, a pointer owned byTommy Corley. They are hunting near Cameron. (Mighty pretty.)

TOMMY CORLEY'S MISSY - "Is this what you're looking for, boss?" Notice how easy Missy is holding the bird. No torn up birds here.

QUAIL HUNTING SEASON OPENS NOV. 14 - These crisp, snappy mornings remind us that quail season will soon be here. Thousands of hunters will be taking to the fields along with their dogs. There is nothing so satisfying to a quail hunter than to see his dog come to perfect point on a covey of quail or even a single. Quail are not easy targets -- flush one and he's on his way. There is an old saying in Texas that there are only two kinds of quail hunters, "the quick and the quail-less." Either you are fast with a gun or no quail. Parade of Sports, years ago took a friend from the mid-west on a quail hunt. The friend had never hunted the Bob White quail but had hunted pheasants for years. After the hunt (the friend had very few quail) he said that shooting at a Bob White quail was "like shooting at a shadow." Now, just a reminder, better get the dogs out of the pens for a few practice runs and conditioning.

Now's The Time For Tasty Apples

By Christine Laws

Tasty apples are everyone's favorite. Who can resist their tempting hues --- shimmering reds, mellow greens and glistening yellows -- their mouth - watering aroma, their natural sweet or sprightly tart flavor or their crispy fresh texture?

Supplies of apples are plentiful this fall. You've probably been seeing the bountiful displays of this luscious fruit on hand at your grocer's.

Be sure to buy good - quality apples. Those that are mature when picked have the best flavor and texture. They should be firm and crips, have a good color and be free from defects.

If you buy apples that are slightly underripe, store them for two weeks or less in a cool place, about 60 to 70 degrees F., to ripen.

Apples that are ripe enough for eating will keep in your home refrigerator for a week or longer. Place them in the humidifier compartment or in a moisture - resistant container, such as a polyethylene bag.

Fruit needs some ventilation however, and the polyethylene bags in which apples are sometimes bought have small holes. So if you prepare your own bags for storing apples, cut a few scattered half - inch holes.

PANNED APPLE WEDGES

3 tablespoons butter or margarine, 1 tablespoon lemon juice, 5 cups pared apple wedges, 1/3 cup sugar

Melt fat in a large frypan over moderately low heat. Mix lemon juice with apples and pour into pan. Sprinkle with sugar. Makes six services of about 1/2 cup each.

APPLE COFFEECAKE

1/2 cup light brown sugar
2 tablespoons flour
2 tablespoons butter or margarine
1 to 2 teaspoons cinnamon, as desired
1/4 cup shortening
1/2 to 3/4 cup sugar, as desired
1 egg
1/2 cup milk
1 1/2 cups unsifted flour
2 teaspoons baking powder
1/2 teaspoon salt
2 cups thinly sliced apples

Blend together the brown sugar, 2 tablesppons flour, butter and cinnamon. In another bowl combine sugar, shortening and egg. Beat thoroughly, then stir in the milk. Mix 1 1/2 cups flour, baking powder, and salt thoroughly. Stir into egg mixture just until smooth.

Spread half the batter in a greased 9 - inch square pan, cover with half the apples and top with half the brown sugar mixture. Repeat.

Bake at 375 degrees for 45 to 50 minutes, or until cake is set.

APPLE STUFFING FOR PORK

1/4 cup butter, margarine or bacon drippings
1/2 cup chopped onion
1/2 cup chopped celery
4 cups diced, tart apples
1/2 teaspoon salt
1/3 cup sugar
4 cups small bread cubes

Melt fat in a large frypan. Add onion, celery and apples. Sprinkle with salt and sugar. Cook, turning occasionally, for 8 to 10 minutes or until apples are lightly browned. Add bread cubes and toss gently to blend ingredients. Makes about four cups of stuffing.

To use the stuffing, sprinkle the inside of a 4-pound boned fresh pork shoulder with 1 teaspoon salt and pepper, as desired. Spread with stuffing. Fold meat over stuffing and skewer. Place on a rack, skin side up, in a shallow baking pan. Bake at 325 degrees F., for about 2 1/2 hours, or until meat is tender and the juice is no longer pink.

Teachers Challenged At Killeen

Beta Nu Chapter of Delta Kappa Gamma was represented by twenty - one members at the Regional meeting at the Lady Bird Johnson Center, Central Texas College, in Killeen, Saturday, October 10. Hostess Chapter was Gamma Alpha of Gatesville.

The day began with the Presidents Conference at 8:30 a.m., followed by registration and a coffee. Exhibits from the chapters represented were on display in tne lobby.

Miss Irene Haag of Temple, regional director and member of Alpha State Committee on Constitution, presided over the morning program, which began with a welcome from Richard D. Wilson, director of college affairs of Central Texas College.

The morning program carried out the theme of the meeting, "It's a good Time for Delta Kappa Gamma. . .," taken from Emerson's words, "This time, like all times, is a very good one if we but know what to do with it." Key teachers were urged to become involved with problems concerning juveniles.

The last part of the program was a skit "Know Your Delta Kappa Gamma" by members of Beta Nu -- Mrs. Byron Stubbs, Miss Bertha Pendergrass, Mrs. Bruce Royal, Mrs. David L. Piper, and Mrs. John Clark.

The luncheon meeting featured an address "It's a Good Time for Delta Kappa Gamma to Lift Its Eyes to the Hills and Move On," given by Mrs. Warren L. Powell, past president of Alpha State.

The twenty-one members of Beta Nu Chapter who attended the meeting were Miss Roberta Falconer, Miss Frances Forbes, Mrs. Sidney Hughes, president Mrs. Lois Robertson, Mrs. A. M. Tate, Mrs. T. D. Taylor of Marlin; Mrs. J. D. Lewis of Buckholts; Mrs. Roy Hensley of Cameron; Mrs. Beryl Carter and Mrs. F. R. Doss of Rockdale; Mrs. Ray Binns, Mrs. John Clark, Mrs. Joe Clark, Mrs. Eugene Marley, Miss Bertha Pendergrass, Mrs. David L. Piper, Mrs. John Rasberry, Mrs. Luther Reaves, Mrs. Bruce Royal, Mrs. S. C. Souther, and Mrs. Byron Stubbs of Rosebud.

THE LAY-BOZKA HOUSE in Hallettsville is one of the most distinctive structures of 19th century Texas. Sometimes called the "wedding cake house" because of its elaborate ornamentation, it was built during 1878–1882 by Dr. James E. Lay, a local physician and Civil War veteran. The designer was Victor Hugo, a French diplomat and architect. The late M. I. Bozka, former city mayor, acquired the house in 1948.

Hallettsville in Model Project

Using only its good will, Hallettsville is helping to solve one aspect of the urban-environmental crisis—thanks to the efforts of a volunteer team from the Texas Society of Architects.

Because of its historic past, its position as a county seat, and its small size, this town was chosen as a model for an ideal plan to revamp county seat towns.

The purpose of the architects' plan is to bring to public attention ways and means of refurbishing historic county centers as active, productive, and stimulating environments for the people who live there.

Presently working on the study is a six-man Committee on Historic Resources, a subsidiary group of T.S.A.'s special Commission on the Environment.

Garden Club Has Program On Bulbs

Mrs. Preston Childers of Temple was guest speaker for the Fleur de lis Garden Club meeting Tuesday night.

The Club met at the home of Mrs. Delbert Burlison with Mrs. Derwood Cobb and Mrs. Don Marquart serving as co - hostesses. Guests were Mrs. Jack Woods and Mrs. John Waters.

Mrs. Childers is a Nationally Accredited Flower Show Judge and a life member of Texas Garden Clubs, Inc. She has gained state-wide recognition for developing new varieties of iris and lillies. Her program, entitled "Miracle of the Bulbs" detailed planting and care of lillies,' iris, amarilus and tulips. Mrs. Childers advised planting Kaufmania tulips in the Cameron area.

Dessert and coffee were served by the hostesses following the meeting.

Fire Dept. Auxiliary Organized

The Cameron Fire Department Auxiliary held an organizational meeting October 13 with 13 ladies present.

Officers elected are: Jo Ann Thompson, president; Pearlie Krenek, vice president; Judy Simpkins, secretary; Kathleen Lewis, treasurer; and Jean Krenek, reporter.

The next meeting will be held November 3 at the Fire Department. Wives and daughters of members and retired members of the fire department are urged to come.

Shower Honors Bride-Elect

Miss Cecilia Ann Sevcik bride - elect of Mr. Bernard Stuchly was honored with a miscellaneous shower Sunday, October 11, at the Marak Parish Hall.

Receiving the guests with the hostesses, were the honoree and her mother, Mrs. Joe Sevcik, Mrs. Lad Stuchly, mother of the prospective bridegroom, and the grandmother of the bride, Mrs. Joe F. Bartek.

Presiding at the bride's book was Mrs. George D. Knapek, sister of the bride, Miss Patsy Sevick registered the guests, and Miss Betty Jane Plachy assisted in helping with the gifts.

Other hostesses were Mrs. Anton Sevcik, Mrs. Jerry Plachy, Mrs. August Hubnik, Mrs. Edward Sevcik, Mrs. Bruce Massingill, and Mrs. Myron T. Holloway.

A bride and a bridal shower umbrella centered the serving table which was covered with a white lace table cloth. Appointments were of silver and crystal.

Blue crepe paper was used to decorate the gift table which carried out the bride's choosen colors.

The price of food purchased for use at home increased 25.8% in the ten-year period ending December, 1969, while the overall cost of living rose 31.3%.

Seminar For Writers At Baylor

A Christian Writers Seminar, designed to help Christian writers penetrate the popular market, has been scheduled for November 16 and 17 on the Baylor University campus in Waco.

The two-day seminar features four well-known writers and editors as leaders, who will lecture and direct workshop sessions. The activities are sponsored by the Christian Writers Council, of the Lilly Foundation, and Word Books of Waco, in cooperation with Baylor University.

Dr. Charlie W. Shedd, director of the Christian Writers Council and author of several best-selling titles; Dr. Kenneth Chafin, chairman of evangelism for the Southern Baptist Home Mission Board; Floyd W. Thatcher, vice president and senior editor of Word Books of Waco; and David A. Cheavens, chairman of the Baylor Department of Journalism, are seminar leaders.

Applications for the seminar are being accepted. They should be sent to Christian Writers Seminar, P. O. Box 1790, Waco, Texas 76703 before November 10. A $15 registration fee can be paid upon acceptance to the seminar or at the beginning of the two-day course.

This seminar to train Christian writers is one of numerous meetings sponsored by the Christian Writers Council. The council is interested in discovering new writers and helping Christians learn to write for the masses.

PERSONALS—

Mr. and Mrs. Roy Richards and Miss Lillye B. Dyers of Rockdale, Mr. and Mrs. Virge Blackmon, and Alice and Brenda of LaPorte, Texas, Mr. and Mrs. A. L. Slot, and Gary, Jimmy Ray Slot, Mrs. Bill Hinton, Mrs. Bill White of Crosby, Texas were guests in the home of Mrs. Zeddie Blackmon and son Lesser Newton.

Market Report

Receipts Thursday at Cameron Livestock Auction totaled 1,325 cattle and calves, compared to 900 last week and 1,030 last year.

Prices compared to the close of last week. Demand was good, with a large buying attendance. The downturn in prices has been present at most Central Texas auctions for the past week.

The run included about 87 percent feeder cattle and calves, 10 percent slaughter cows and bulls with the remainder mostly stock cows.

Prices paid Thursday were:

STEERS: Good and Choice Fed Steers and Yearlings	27.50 29.00
Common to Med.	26.00 27.25
Fat Cows	18.00 21.00
Canners and Cutters	17.00 21.50
Stocker Cows	22.00 26.00
Butcher Bulls	26.00 28.75
Bull Yearlings	27.00 34.00
CALVES: Good and Choice Salughter Calves	29.00 32.00
Common to Med.	28.00 28.75
Culls	25.00 27.75
Culls	25.00 27.00
Good and Choice Stocker Steer Calves	31.00 36.00
Good and Choice Light Stocker Steer Calves	37.00 44.00
Heifers	29.00 32.00
Medium to Good Stocker and Feeder Calves	29.00 32.00
COWS & CALVES: Good	230.00 270.00
Medium	185.00 220.00
Plain	160.00 180.00

Buckholts

By Mrs. Edwin Gandy

We are glad to say that Mr. W. H. Gilbert is able to be back home after spending some time in Scott and White Hospital.

Mr. Tal Woodward is very ill in Newton Memorial Hospital. His daughter Mrs. Mary Ethel Copeland is here to be with him and her mother during his illness.

Mr. and Mrs. E. E. Phillips have been moved from the hospital to the nursing home in Rockdale. They are both some better.

Mr. B. M. McMillion is also on the sick list. He is a patient at Newton Memorial Hospital in Cameron.

Mrs. Mildred Wheeler of Cameron visited in the Steve Burtis home on Sunday and Monday.

Mrs. Jewel Collier from Waco spent some time this week visiting her sister, Mrs. Orba Arnold. While here they also visited in the Aud Matthews home.

Earl Allison visited his sister Mrs. Vera Joyce in Bartlett on Sunday.

Howard Peeler of Bryan was home over the weekend with his parents Mr. and Mrs. N. E. Peeler.

Maysfield

Mrs. Leroy Massengale of Austin spent the week in her Maysfield home.

Mrs. Herbert Thweatt and Stevie spent the weekend in Austin with her son, Mr. Herbert Thweatt Jr., and Mrs. Thweatt.

Visiting Mrs. E. L. Massengale this weekend were Mr. and Mrs. Charlie Tabor and children of Temple, Mr. and Mrs. Son Barton and children of Austin, Mr. and Mrs. Weevil and children of Austin and Mr. and Mrs. Wallace Massengale of Houston.

Mr. Frank Tyson and daughters of Houston spent the weekend with his mother, Mrs. Belle Tyson.

Mr. and Mrs. Johnny Yates, Jr. of Rockdale spent the weekend with his parents, Mr. and Mrs. Johnny Yates.

PROGRAM BUILDERS - Shown at a meeting of the Milam County Program Building Committee Oct. 12 are: front row, from left, Mrs. Jacquelyn Ware, W. S. Turner, J. D. Moore, Christine Laws, Miss Annie Lucy Lane, District HD agent. Back row, John Snell, Joe P. Mueck, Danny Phillips, Henry N. Ivey, Mrs. Clyde Holliman and Max McClaren.

McClaren Heads County Program

At a meeting of the Milam County Program Building Committee on October 12 new officers were elected with Max McClaren of Cameron as chairman; D. S. Smith, Jr. of Gause, vice chairman; and Mrs. Clyde Holliman of Rockdale, secretary.

Program building is a continuous process by which representative county leaders, working with county Extension agents, other local agencies and resource persons, study and determine the county situation, identify major problems, establish objectives and plan and carry out a program of education and action designed to help the people reach their objectives.

The county program building committee is an organized group of voluntary leaders broadly representative of the social and economic structure of a county, and who with the help of the county Extension agents, other agencies and resource persons, develop the county program.

This committee serves as a channel for bringing problems of the people to the attention of local groups and agencies concerned and for taking needed information to the people.

Representation on the committee is both geographical and organizational to insure active participation from all areas of interest over the county.

The number of members will vary from county to county, but is broad enough to represent the major segments of the population and the interests of the people.

In August 1936, the State of Wisconsin paid the Nation's first unemployment insurance benefit check. Since then, $57 billion have been paid out under regular and special unemployment insurance programs.

Harbour Moving To Atlanta

Rev. Brian Lee Harbour, son of Mr. and Mrs. B. F. Harbour of Rogers, has been called to the pastorate of Woodland Hills Baptist Church in Atlanta, Georgia.

He will assume the new ministry on October 25, accompanied by his wife, the former Janet Sportsman of Kansas City, Mo. and their young son Jay.

For the past two and half years Harbour has been pastor of the First Baptist Church of Calvert. He graduated from Baylor University in 1966, and has completed the work on the doctor of philosophy degree at Baylor except for the dissertation. Mrs. Harbour also attended Baylor University.

While a student in Rogers High School, Harbour lettered in all sports and made all-district in football in his junior and senior years. In summers then he played baseball in the Temple league. He became an Eagle scout at Rogers.

Half of the nation's potential oil and gas reserves remain to be discovered, say geologists.

Baptists Set Milam Meeting

Jay L. Skaggs of Dallas, associate treasurer for the Baptist General Convention of Texas, will represent the Convention at the Milam County Baptist Association October 22 at San Gabriel.

The 52nd annual meeting of the Milam Baptist Association will convene in two sessions, at 2 p.m. and 7 p.m. Oct. 22 at San Gabriel Baptist Church, according to Rev. J. O. Morman of Rockdale, FIRM area missionary.

Rev. James E. Lafferty, pastor of the First Baptist Church, Cameron, is moderator for the county association and Rev. N. A. Mills, pastor of Meadowbrook Baptist, Rockdale, is vice-moderator.

Miscellaneous business and reports from all departments of work will be presented at the afternoon session. Rev. Lafferty will preach the annual sermon at 4:55 p.m.

Supper will be served by the host church at 6 p.m. and Skaggs will bring the principal address at the evening session at 8:20 p.m.

Earl Roberson of Rockdale will be in charge of music at both sessions.

"A nursery will be provided and all churches of the association are encouraged to be represented," Rev. Morman said.

Skaggs, the visiting speaker, will succeed Dr. R. A. Springer, as treasurer of the Baptist General Convention of Texas on Jan. 1. A native of Healdton, Okla., he is a University of Oklahoma graduate.

JAY L. SKAGGS

The Dallas resident has a varied business background: department manager for Butler Bros., Dallas, 1946-50; store manager for Hunts Department Stores, Dallas, 1950-57; general manager, Garland Times-Reporter, 1957-58; and business administrator, Cliff Temple Baptist Church, Dallas, 1958-64.

Skaggs and his wife, Erma, have 2 daughters, Virginia Ann, 22, and Mary Lynn, 19.

Yates Honored

continued from Page 1

a record of participation in local and state FFA activities and they must have completed all of the vocational agriculture instruction offered in their high school.

Candidates must have been out of high school for at least a year and must have in operation, an outstanding supervised farming or agribusiness occupation program.

American Farmer applicants must have earned at least $1,000 by their own efforts through their occupational experience program and must have their earnings productively invested or depostied in a bank.

Finally, the American Farmer candidates must have demonstrated outstanding ability through their leadership and cooperation in student, chapter and community activities. They must have a satisfactory scholarship record as certified by the local school superintendent or principal.

YOEMEN

continued from Page 1.

On the next play a procedure penalty moved the ball back 5 yards bringing the down to third and eight instead of third and three.

Cummings then dropped back and hit Brashear at the 2. Ernie De La Rosa got a yard and Cummings fell short by inches.

With a third and goal Brashear plunged across the double stripe. The PAT was good and Yoe led 21-0.

A short punt set up Yoe's final march which covered 38 yards. Cummings dropped back and hit his tight end, Mike Zajicek, across the middle for a 9 yard gain. Brashear picked up the first down at the Chap 24. Cummings added 4 bringing up a second and six situation.

Cummings called a pass play to his halfback De La Rosa which in turn fell incomplete.

Facing a third and six, Cummings turned and handed to Richardson around end. The Yoe back slashed his way 20 yards for Yoe's final touchdown.

Dodson's kick was good. The Yoemen are now 1-0 in district play and will travel to meet the Georgetown Eagles next week.

Rogers 40, Lexington 0

Rogers opened its second district game by scoring early in the first period on a 4 yard dash by quarterback James York.

Halfback Lucas Jiminez broke 22 yards on Rogers next possession. Then with a 13 point lead. Eagle halfback Homer Smith manuevered his way 63 yards to paydirt.

Rogers could muster but one score in the second quarter, that came on a 20 yard scoring strike form York to Robert Skrhak. The PAT failed.

Rosebud-Lott 42, Madisonville 6

Quarterback Ken Coulter scored three touchdowns in leading his Cougars over scrppy Madisonville 42-0.

Luther Alexander added two tallies along with Lindburg Johnson picking up the final TD to round out the scoring.

Tim Kirkscey kicked six PAT's in aiding the Cougars to bring their district record. Madisonville dropped back to 0-2 in lop loop play.

HIGHEST FFA DEGREE - Bobby Yates, right, receives the certificate naming him American Farmer from Harry Birdwell, national Future Farmers of America president. The American Farmer Degree is the highest degree awarded FFA members. Bobby, son of Mr. and Mrs. Johnny Yates of Cameron, was one of 471 members receiving the degree at the National FFA Convention held in Kansas City, Mo.

P&W Film Wins Award

"Crisis on the Coast," a film sponsored by the Texas Parks and Wildlife Department and four other coastal States along with the U. S. Bureau of Sports Fisheries, has won an award for "creative excellence" from the U.S. Industrial Film Festival.

The 14-minute film, renamed from "The Biologist and the Boy," and being shown in commercial theaters over the State, points out the deteriorating condition of the estuarine environment and the implications of this condition.

The film was narrated by Arthur Godfrey.

A similar but longer film, "Estuarine Heritage," is available from the Texas Parks and Wildlife Department Film Library in Austin.

Waco Symphony Readies Concerts

The Waco Symphony Orchestra, one of central Texas' important cultural assets, is about to launch its ninth season of concerts featuring the all professional Waco Symphony Orchestra under the direction of Daniel Sternberg and presenting three internationally celebrated solo artists.

The opening concert of the season, scheduled for November 9, will feature one of the world's great pianists, Gary Graffman, in an all-Beethoven program in commemoration of the 200th anniversary of the composer's birthday.

The second program, January 25, will present the brilliant young American violinist, James Oliver Buswell, IV. Since he won the famed Merriweather Post - Competition in Washington, D.C. at the age of fifteeen in 1962, Buswell has gone from success to success until he is now ranked with the finest violinists in the world.

Gabriella Tucci, one of the reigning queens of the operatic stage, will appear on the third program, March 1, in a group of Italian arias from operatic roles that made her world famous.

All Waco Symphony programs are given in Waco Hall auditorium on the Baylor University campus. The Orchestra which numbers 76 players is composed of musicians of Waco and of the Baylor School of Music augmented by a number of players from the Dallas Symphony Orchestra.

The conductor, a graduate of the Vienna National Academy of Music, conducted extensively in Europe and Russia before coming to the United States. Maestro Sternberg is Dean of the School of Music of Baylor University.

Season tickets for all three events are now on sale at a substantial savings over the individual ticket price. For example, a good seat in the first balcony costing $14 for three individual events may be purchased for $10 on subscription.

Ticket information may be obtained from the office of the Waco Symphony Association, P. O. Box 62, Waco, Texas 76703 or by telephone, 754,0851.

No. 10 Vehicles Are Due Reinspection In October

On September 1, 1969, the State of Texas changed to an annual system of Motor Vehicle Inspections. The old April 15 deadline was abolished and the law changed to require reinspection not later than the last day of the month, 12 months from the date of the last spection.

The month is indicated by the large numeral placed on the face of the inspection certificate. Under this procedure, all vehicles which were inspected in October, 1969, were issued a red certificate with a numeral "10" and must be reinspected by midnight, October 31, 1970.

All motor vehicles and certain classes of trailers are subject to the mandatory inspection which includes brakes, lighting equipment, horns and warning devices, mirrors, windshield wipers, front seat belts in vehicles where seat belt anchorages were a part of the manufacturers original equipment on the vehicle, steering (including power steering), wheels and rims, exhaust system and the exhaust emission system.

State law requires that inspections be made at privately owned official inspection stations which have been appointed by the Department of Public Safety. The statutory inspection fee is $2, with adjustments or repairs extra if required.

Patrolman O. D. Lewis, the Department representative for the Motor Vehicle Inspection Service in the Milam County area advises that there are 11 inspection stations in this area to handle the inspection of vehicles.

Patrolman Lewis urges motorists to check the inspection certificate on their vehicle and arrange to have inspections made early to avoid the rush around the inspection stations near the end of the month. He also makes the following suggestions to car owners:

1. Do not permit shoddy inspection practices.

2. Report violations of inspection procedures to authorities.

3. Rely on sound driving practices, as well as a mechanically safe vehicle to prevent traffic accidents.

Under this program, it is well to remember that your safety inspection certificate will be issued when your vehicle has been approved. It will be affixed in the lower left-hand corner of the windshield. Each certificate will contain a number tab showing the month of expiration - 12 months from the date of inspection.

Jehovah's Witnesses Attend Convention

Jehovah's Witnesses in Cameron returned home this week from attending their circuit convention in Corsicana.

Attending from Cameron were the Durwood Herbelins, Fred Starnes, Harold Greens, Mrs. Mozell Holland, and Mrs. Leroy Nunn and three children.

A total of 1075 were there to hear the main address on Sunday entitled, "Who will conquer the world in the 1970s?" District Supervisor E. R. Brandt delivered the address.

You Don't Say . . .

IMPRECATE

If you are referring to being involved or concerned in a plot or cime or an undesirable stituation.

IMPLICATE (IM pluh kate) means to involve or call down some curse or calamity; to IMPRECATE evil upon a person.

A confusing similarity--- an interesting difference-- and--- one which will quickly reveal the extent of your knowledge of words.

Copr. by Adria Allen

Jobless Rates, Increase, U.S. Labor Dept. Reports

Employment remained essentially unchanged in September while unemployment increased, the U. S. Department of Labor's Bureau of Labor Statistics has announced.

The increase in unemployment was concentrated among 16-24 year olds and brought the overall unemployment rate to 5.5 percent in September.

Jobless rates for men 25 years and over were unchanged over the month at 3.0 percent, while the rate for women 25 and over edged up from 4.1 to 4.4 percent.

Primarily as a result of the increased unemployment among young workers, the overall unemployment rate rose to 5.5 percent in September, the highest level since January 1964.

Among the occupation groups, the jobless rate for blue-collar workers rose from 7 to 7.5 percent in September while the jobless rate for white collar workers, at 2.8 percent, remained relatively unchanged over the month.

The unemployment rate for persons whose last job was in the construction industry rose sharply over the month to 13.8 percent, the highest rate since March 1963.

Over the year, unemployment has risen by 1.3 million -- 650,000 adult men, 395,000 adult women, and 290,000 teenagers. Four - fifths of the increase was among full-time workers, mostly those who had lost their last jobs.

Over the year ending in August 1970, average weekly earnings rose by 4.8 percent; after adjustment for consumer price changes, however, earnings were down by 0.8 percent.

Cattlemen Endorse 3rd Amendment

FORT WORTH

The taxation of agricultural land according to its earning power received the endorsement of the directors of the Texas and Southwestern Cattle Raisers Association at their fall quarterly meeting at College Station in September.

Amendment No. 3 on the November 3 general election ballot is strongly supported by these cattlemen as a fair basis for land taxation.

President Frank H. Lewis of Bay City urged all agricultural groups to work toward the passage of this amendment. Urban expansion and real estate developments are causing tax assessments on ranchers that are far out of line with the productive ability of the land.

"The present system of assessment of land taxation varies all over the map, and assessment on speculative value rather than ability to produce is forcing many farm and ranch land owners out of business," Lewis said.

He explained that elected tax assessors assess land within each county and for the most part were assessing on productive ability.

"However, with urban expansion, real estate developments, and other use, land prices are upped and assessed accordingly. Then the land across the fence also is reassessed at the higher rate, even though it still is used for bona fide crops and production of livestock," he added.

'Dare' Says Barnes To MHB Group

BELTON

Lt. Gov. Ben Barnes Thursday challenged the students of Mary Hardin - Baylor College to "dare to dream, dare to want to change this country and this world."

In his address in Walton Chapel, Barnes stressed the importance of education by calling it "the number one area of concern for all our political system."

He said, "You are the most concerned generation of people our country has ever produced. You have an opportunity to see our country solve many of its urban problems, to see our nation live at peace with other nations of the world. You can dream impossible dreams and reach the unreachable stars."

Barnes, the youngest Lieutenant Governor in the history of Texas, said, "I am glad for the opportunity to visit with today's young people."

Murray Watson, State Senator from the Bell County area, was present at the program.

A luncheon, sponsored by Wallace Law and other businessmen from the area, was held following the program.

Computer Speeds Home Plan Choice

Some West Coast builders are saving time and money with computerized estimating of costs from house plans. One builder reported saving $1200 a house in a tract of 114 homes at Anaheim, Cal.

Computer service turns out as complete and accurate a cost profile from preliminary drawings as a conventional estimate can from full working blueprints, it is claimed.

And different designs can be compared so one can be chosen to provide the most space for the money. Service fee is around $250 per house.

Driver Hurt When Pickup Hits Pole

A pickup truck was demolished and the driver injured Thursday night in a one-vehicle accident near the Santa Fe overpass.

Police reported that Ruben Hoyle of Houston, driver of the truck, was taken to Scott & White Hospital in Temple by a local ambulance. Hoyle suffered neck and back injuries when the truck struck a telephone pole near Foster's Nursery on East 4th St.

The truck was demolished and about $150 damage done to the pole. Hoyle was headed east on the highway when he apparently lost control of the pickup, police said. The extent of his injuries was not known at presstime.

YOE BAND SWEETHEART Margaret Perkins receives a boquet of red roses from John Ben Sutter, band president, during halftime at Friday night's game. Margaret is the daughter of Mr. and Mrs. Stewart Perkins and is a Yoe High Senior.

American Farmer...
FFA Honors Yates

KANSAS CITY, MO.

Bobby Yates of Cameron received the American Farmer Degree Thursday at special ceremonies held here during the 43rd National Convention of the Future Farmers of America.

Bobby, son of Mr. and Mrs. Johnny Yates, was one of 471 FFA members selected to receive the degree, highest in the FFA. As a holder of the American Farmer Degree, Bobby joins a select group representing about one percent of all FFA members.

This is the second time in Yoe FFA Chapter history a member has achieved the American Farmer Degree. John McLerran, 1969 recipient, was the first.

The 471 members awarded the Degree represent the best of more than 430,000 FFA members now enrolled in the nation's 8,175 high school vocational ag departments.

Each American Farmer Degree recipient is presented a gold key and certificate by the Future Farmers of America.

FFA members begin as "Greenhands" and after one year of membership may be advanced by the local chapter to the degree of "Chapter Farmer". The third degree, that of "State Farmer", is presented by the State FFA Association and is limited to no more than two percent of the State's FFA membership in any one year.

Only students who have earned the State Farmer Degree are eligible for the American Farmer Degree.

In addition to having earned the State Farmer Degree, candidates for the American Farmer Degree must have been active members of the FFA continuously for at least three years. They must have

County Losing OEO Medical, Food Program

Milam County officials have been notified that the Emergency Food and Medical Service program will be discontinued effective November 30.

The OEO funded program provided milk for dependent children, special foods for welfare recipients with diet deficiencies, medical care and diet education in cases of malnutrition.

Mrs. Nona Miller has been director of the program since it started here in December 1969.

The Emergency Food program was put into Milam County and 28 other Texas counties following an OEO investigation into reports of malnutrition. In Milam County, where a surplus commodities program was already established, the emphasis was on educating indigents to use the surplus commodities for well-balanced diets, to find diet deficiencies and assure a proper supply of milk for infants and young children.

Judge O. B. Harden said contacts had been made to extend the program, but State Welfare Dept. officials had informed his office that funds were not available from the Office of Economic Opportunity.

"This has been an effective program," Judge Harden said, "and we don't like to see it close."

He said that although Milam County funds had been cut off, counties with Community Action Programs would continue to receive federal funds for the Emergency Food and Medical Service.

Lions Club Sets Light Bulb Sale

The Noon Lions Club will hold its annual Light Bulb Sale Tuesday, October 20 starting at 5:30 p.m.

Proceeds from the sale are used for the Lions scholarship resented to a local high school senior each year.

Club members will sell the bulbs at 6 for $2 in the residential districts and householders are asked to have their porch lights on.

The 130-volt, General Electric bulbs will be available in 100 and 60 watt sizes.

Gov. Smith Urges Voter Turnout In Nov. Election

Gov. Preston Smith expressed his concern this week about voter apathy in the upcoming General Election.

"As I travel around the State," Gov. Smith said in a letter to The Herald, "I am becoming more apprehensive that a great many people may not vote in the General Election on November 3."

Smith said ". . .it will be a bad thing for Texas if, say, only 35 percent of the Texas electorate turns out.

"If such should happen it would be mathematically possible that a winning candidate would have the endorsement of only 18 percent of the qualified voters (less than one of five people)," the letter stated.

Only by a large voter turnout can "the desires of a majority of the people in Texas be reflected in the public offices of our State," Smith concluded.

Milam County Clerk Wayne Wieser reported that 29 applications for absentee voting had been received in his office by the end of the week, "which is about normal" he said.

The absentee voting period opened Oct. 14 and will be open through Oct. 30.

County OK's Milano Paving, Judges, Bids

County Commissioners Thursday agreed to pave a street in Milano, approved changes in election judge appointments, and accepted 6-month bids for commissioners supplies.

Commissioners voted unanimous approval of a request to pave a street in Milano, from Hiway 36 past Sloan's cafe. Estimated cost of the project is $1,600. Judge O. B. Harden said the paving request stemmed from grading problems on the street due to underground water lines.

Changes in election judges for Milam County approved by commissioners Thursday included the appointment of Stewart Perkins as Presiding Judge for Pct. 2 replacing J. J. Heitman who was appointed Presiding Judge, Absentee Box; Mrs. Helen Jamison appointed Presiding Judge of Pct. 7, Jones Prairie, replacing Dick Ellison; Mrs. Carlton Crook appointed Alternate Presiding Judge of Pct. 7.

Commissioners accepted the following bids for materials and supplies for a six month period:

Lumber and Bridge Steel - A. T. Ball, Bryan;

Creosote Piling - Conroe Creosote Co., Conroe;

Grader Blades and Bolts - P. C. Edwards Supply, Palestine;

Concrete Pipe - Concrete Works, Waco;

Galvanized Steel Culverts - Austin Concrete Works;

Gas and Oil - Sinclair Refining Co., Mobil Oil Co., and Texaco, Inc.

Used Highway Beams - Coffield Lumber Co., Rockdale;

Anti-Freeze - Humble Oil & Refining Co.

UR Plan, Part 11 Is In Washington

Cameron Urban Renewal Agency has been advised that Part II of the city's UR program was approved by Housing Urban Development regional office at Dallas and is now in Washington for final approval.

The local agency announced plans to move its office from its present location at 203 S. Houston to the Cox Building at 105 East Main., formerly occupied by Humble and Magre, Attorneys.

The move is expected to be completed by November 1, agency chairman A. W. McCullin Sr. said.

AREA FOOTBALL...
Yoemen Win, 28-0

The Cameron Yoemen opened their 20AA district campaign by downing Westlake Friday night 28-0.

A strong defense allowed the Chaparalls to penetrate deep into Yoe territory but once. That drive stalled when Ken McLerran recovered a Chap fumble at the Yoe 29.

After a scoreless first quarter the Yoemen marched 31 yards for their first touchdown with Richard Cummings getting the final yardage. Mark Dodson added the extra point.

Then with the Yoemen leading 7-0, Robert Brashear took a Westlake quick-kick and rambled 45 yards behind fine blocking to pay dirt. Dodson again converted and Yoe now led 14-0.

Following halftime ceremonies, which saw Margaret Perkins crowned Yoe Band Sweetheart for the 1970-71 school year, the Yoemen got their third score of the evening when Brashear scored on a dive play. Dodson again converted, bringing the score to 21-0.

A short punt by the Chaps left the Yoemen in good field position at the Chaps 38. Jerry Richardson capped that drive as he slashed his way 20 yards for Yoe's final tally and Mark Dodson added his fourth point of the night.

The defense did a good job as they kept the Chaps deep in their own territory most of the night. After the Yoemen had repeatedly thrown the Chaparall's backs for losses, a short punt was taken at the Chap 31. Quarterback Cummings then hit his split end Carroll Michalka for a first and ten, down to the Chap 20. Jimmy Bailey was stopped for no gain making the down second and 10.

Cummings then struck quickly as he hit his halfback Brashear for a 15 yard gain to the Chap 5.

Full back Ed Whitley got the call but could muster only 3 yards down to the 2. Cummings then elected to keep and dove into the endzone to score. The PAT was good.

Following a fine punt by Ken McLerran, the Chaps owned the ball at their own 10. Yoe line backer, Johnny Bailey broke through and dropped a Westlake ball carrier for a loss back to the 5. Glynn Bloomquist got the call next and was stopped after a 1 yard gain.

Hoping not to be caught in their own territory Westlake elected to quick-kick.

Brashear received it at the Chap 45 and with a nifty bit of running, he raced the distance for Yoe's second score. The PAT was again added by Dodson and the halftime score was 14-0.

Late in the third quarter Brashear stepped in front of a would-be receiver and returned it 21 yards to the Chaps 49. Starting at this point, Cummings sent Jim Bailey for 4 yards. With a second and six he handed to Whitley who picked up 5 yards making it third and one. Cummings got the necessary yardage neede for the first.

Now at the Chaps 37, Whitley was stopped after only a yard gain. With a second and nine Cummings turned and pitched to Brashear for a 7 yard gain. Whitley then picked up a first down at the Chap 25. Again it was Whitley's number and he rambled to the 14. Brashear ripped off a tough 4 yards and Whitley added 3 more.

See Yoemen, Page 5.

JV 16, West Lake 6
Freshmen 16, W L 0

Yoe junior varsity and freshmen opened district play Thursday, traveling to West Lake (Austin) and returning home with scores on the winning side.

The JVs downed West Lake JV 12-6 and the freshmen came out on top, 16-0.

West Lake took the opening kickoff in the JV game and marched 50 yards to score.

Cameron was unable to score during the first period and at halftime the Chaparrals led, 6-0.

In the second half Roland Young got Yoe's first tally on an 85 yard pass interception. Jack Chubb's try for two failed and the score was tied 6-6.

Yoe's break came when West Lake fumbled on its own 20 and Yoe recovered and scored with just 30 seconds left in the game. Virgil Jones got the final yards with the conversion attempt failing.

FRESHMEN

The freshmen scored two touchdowns in the second quarter to down the Chaparrals 16-0.

George Whiteside scored first with David Hollas converting. Then Hollas intercepted a pass and ran it back for another score. He again added the extra points.

A strong defense held on as the freshmen picked up their first district win.

Housing Alternatives....

Your Herald is studying the alternatives in housing development, both rural and city, and hopes to present an outline of these alternatives within a few issues.

Nothing seems more stymying to small - city development than need for housing and housing finance.

It is surprising how many alternatives exist, but how new or relatively unknown some of the programs are.

Like everything else in Texas, housing need is changing. It has had much to do with the limited growth of Cameron, Rockdale and Thorndale in Milam County during the past decade.

It is time the alternatives are put where they can be measured and read and, hopefully, acted upon. Our growth in Central Texas and small-town Texas and nation, depends on it. The future of cities and suburbia just might, as well.

For The Record and Mr. Smith....

This newspaper supported Preston Smith for governor in 1968 and does once again in 1970.

We are hard put, however, to understand a pitch against opposition candidacies whose birthplace is outside Texas.

Editor of this publication grew up in the state where Mr. Smith's opponent was born. Birthplace has little to do with a candidate's qualifications.

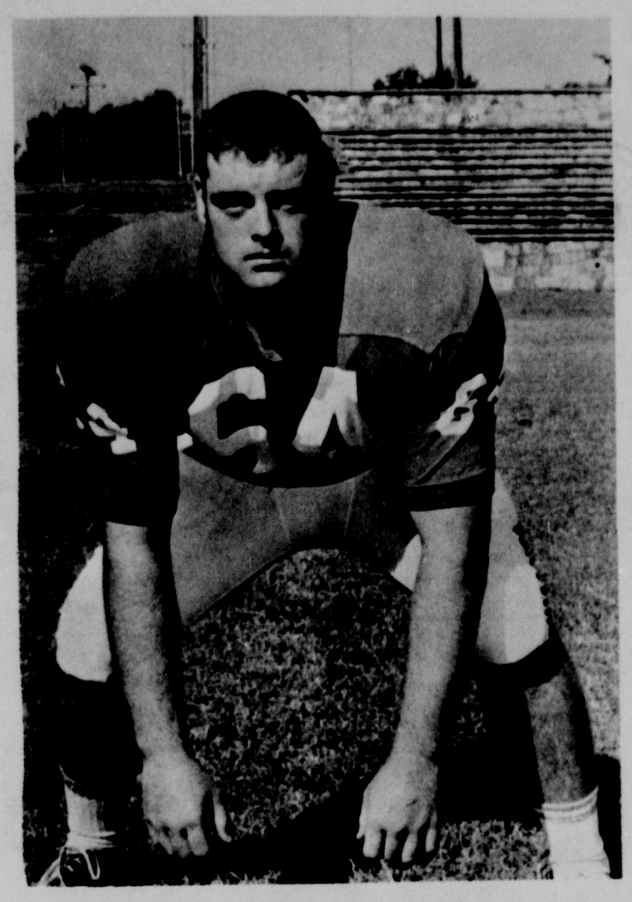
We support Mr. Smith because he is, by far, more experienced, and he is making considerable effort to decentralize Texas' industrial development before it reaches the absurd congested proportions of other industrial states.

This newspaper is people oriented. We believe we think like modern people as well as any spokesman for a political party.

We would remind spokesmen of either party that founders of this state almost all came from somewhere else and even foreign countries. It would seem bad politics, in view of all the modern change in Texas, to challenge a man's birthplace.

It is the qualifications for the time that count. We believe Mr. Smith's qualifications of small - town and small - city background, public service and low - key leadership in an era of hyped-up rhetoric are best for Texas. We would say the same for any state and this nation.

It is a candidate's record, not his campaign commercials, that counts. And Mr. Smith, asking for a second two-year term, has it in this race.



SAM HOUSTON Bearkats will be favored for their homecoming game Saturday when they meet Southwest Texas. A plus for the Bearkats is reserve offensive guard Mike Miller from Cameron who has done all of the Bearkat punting this season and has a 37.7 average.

Miller Gets Punt Crown At SHSU

The Sam Houston Bearkats are looking toward the Lone Star Conference crown and star punter Mike Miller will be in line for special commendation.

Miller, 225 pound, 6 foot 1, offensive guard from Cameron has done all of the Bearkats punting this season. He is currently punting at a 37.7 average and has a long punt of 61 yards.

Significant about Miller's punting is that in 22 punts the Bearkats opposition has returned only six of his punts for 50 yards. A sign that his kicks have been high enough to give the Bearkats punt coverage time to get downfield.

Sam Houston is a definite contender for the Lon Star Conference race and in pre-season play tied perennial national power Troy State of Alabama.

The Sam Houston Bearkats will host Southwest Texas Saturday for a homecoming game that is expected to attract thousands to the Huntsville campus. Both Sam Houston and Southwest Texas are ranked in the lead of Lone Star Conference play.

Miller is the son of Mr. and Mrs. B. L. Miller of Cameron.

Windsor Castle is in the form of a parallelogram, 1,890 feet by 540 feet.

Yoe-Yoes Win 2

Seventh and eighth grade both scored defeats over West Lake Thursday night at Yoe Field.

Scores were seventh grade-Yoe 24, Westlake 0, and eighth grade - Yoe 26, West Lake 14.

Dennis Hollas made the first touchdown on a five yard run in the seventh grade game and passed to Mike White for the extra 2 points.

Next score came on a Hollas pass to Ronnie Bennett, who carried for 18 yards and paydirt. Jafus White ran for the extra points, bringing the score to 16-0.

Final scoring was on a 1 yard run by Stanley Manners. Joey Mondrik ran for points, and the final score was 24-0.

EIGHTH GRADE

The Yoe-Yoes James Bailey led off for the eighth grade with a 15 yard touchdown run. The PAT failed. Bailey again scored on a 2 yard run and again the try for extra points was no good and Yoe led 12-0.

West Lake got on the scoreboard with a touchdown. The Yoe-Yoes then stretched their lead with Jeff Smitherman scoring on a 44 yard pass from Gene Kopriva, who also ran for extra points.

Kopriva added another touchdown for Yoe on a 52 yard punt return. The PAT failed and score was 26-6.

West Lake managed one more on its last play of the game on a 20 yard pass, and the extra point try was good. Final score, Yoe 26, WL 14.

CAMERON'S PARADE OF SPORTS

BILL HARRIS AND MISSY - shown here are Bill Harris and Missy, a pointer owned byTommy Corley. They are hunting near Cameron. (Mighty pretty.)

TOMMY CORLEY'S MISSY - "Is this what you're looking for, boss?" Notice how easy Missy is holding the bird. No torn up birds here.

QUAIL HUNTING SEASON OPENS NOV. 14 - These crisp, snappy mornings remind us that quail season will soon be here. Thousands of hunters will be taking to the fields along with their dogs. There is nothing so satisfying to a quail hunter than to see his dog come to perfect point on a covey of quail or even a single. Quail are not easy targets -- flush one and he's on his way. There is an old saying in Texas that there are only two kinds of quail hunters, "the quick and the quail-less." Either you are fast with a gun or no quail. Parade of Sports, years ago took a friend from the mid-west on a quail hunt. The friend had never hunted the Bob White quail but had hunted pheasants for years. After the hunt (the friend had very few quail) he said that shooting at a Bob White quail was "like shooting at a shadow." Now, just a reminder, better get the dogs out of the pens for a few practice runs and conditioning.

Now's The Time For Tasty Apples

By Christine Laws

Tasty apples are everyone's favorite. Who can resist their tempting hues --- shimmering reds, mellow greens and glistening yellows -- their mouth - watering aroma, their natural sweet or sprightly tart flavor or their crispy fresh texture?

Supplies of apples are plentiful this fall. You've probably been seeing the bountiful displays of this luscious fruit on hand at your grocer's.

Be sure to buy good - quality apples. Those that are mature when picked have the best flavor and texture. They should be firm and crips, have a good color and be free from defects.

If you buy apples that are slightly underripe, store them for two weeks or less in a cool place, about 60 to 70 degrees F., to ripen.

Apples that are ripe enough for eating will keep in your home refrigerator for a week or longer. Place them in the humidifier compartment or in a moisture - resistant container, such as a polyethylene bag.

Fruit needs some ventilation however, and the polyethylene bags in which apples are sometimes bought have small holes. So if you prepare your own bags for storing apples, cut a few scattered half - inch holes.

PANNED APPLE WEDGES

3 tablespoons butter or margarine, 1 tablespoon lemon juice, 5 cups pared apple wedges, 1/3 cup sugar

Melt fat in a large frypan over moderately low heat. Mix lemon juice with apples and pour into pan. Sprinkle with sugar. Makes six services of about 1/2 cup each.

APPLE COFFEECAKE

1/2 cup light brown sugar
2 tablespoons flour
2 tablespoons butter or margarine
1 to 2 teaspoons cinnamon, as desired
1/4 cup shortening
1/2 to 3/4 cup sugar, as desired
1 egg
1/2 cup milk
1 1/2 cups unsifted flour
2 teaspoons baking powder
1/2 teaspoon salt
2 cups thinly sliced apples

Blend together the brown sugar, 2 tablesppons flour, butter and cinnamon. In another bowl combine sugar, shortening and egg. Beat thoroughly, then stir in the milk. Mix 1 1/2 cups flour, baking powder, and salt thoroughly. Stir into egg mixture just until smooth.

Spread half the batter in a greased 9 - inch square pan, cover with half the apples and top with half the brown sugar mixture. Repeat.

Bake at 375 degrees for 45 to 50 minutes, or until cake is set.

APPLE STUFFING FOR PORK

1/4 cup butter, margarine or bacon drippings
1/2 cup chopped onion
1/2 cup chopped celery
4 cups diced, tart apples
1/2 teaspoon salt
1/3 cup sugar
4 cups small bread cubes

Melt fat in a large frypan. Add onion, celery and apples. Sprinkle with salt and sugar. Cook, turning occasionally, for 8 to 10 minutes or until apples are lightly browned. Add bread cubes and toss gently to blend ingredients. Makes about four cups of stuffing.

To use the stuffing, sprinkle the inside of a 4-pound boned fresh pork shoulder with 1 teaspoon salt and pepper, as desired. Spread with stuffing. Fold meat over stuffing and skewer. Place on a rack, skin side up, in a shallow baking pan. Bake at 325 degrees F., for about 2 1/2 hours, or until meat is tender and the juice is no longer pink.

Teachers Challenged At Killeen

Beta Nu Chapter of Delta Kappa Gamma was represented by twenty - one members at the Regional meeting at the Lady Bird Johnson Center, Central Texas College, in Killeen, Saturday, October 10. Hostess Chapter was Gamma Alpha of Gatesville.

The day began with the Presidents Conference at 8:30 a.m., followed by registration and a coffee. Exhibits from the chapters represented were on display in the lobby.

Miss Irene Haag of Temple, regional director and member of Alpha State Committee on Constitution, presided over the morning program, which began with a welcome from Richard D. Wilson, director of college affairs of Central Texas College.

The morning program carried out the theme of the meeting, "It's a good Time for Delta Kappa Gamma. . .," taken from Emerson's words, "This time, like all times, is a very good one if we but know what to do with it." Key teachers were urged to become involved with problems concerning juveniles.

The last part of the program was a skit "Know Your Delta Kappa Gamma" by members of Beta Nu -- Mrs. Byron Stubbs, Miss Bertha Pendergrass, Mrs. Bruce Royal, Mrs. David L. Piper, and Mrs. John Clark.

The luncheon meeting featured an address "It's a Good Time for Delta Kappa Gamma to Lift Its Eyes to the Hills and Move On," given by Mrs. Warren L. Powell, past president of Alpha State.

The twenty-one members of Beta Nu Chapter who attended the meeting were Miss Roberta Falconer, Miss Frances Forbes, Mrs. Sidney Hughes, president Mrs. Lois Robertson, Mrs. A. M. Tate, Mrs. T. D. Taylor of Marlin; Mrs. J. D. Lewis of Buckholts; Mrs. Roy Hensley of Cameron; Mrs. Beryl Carter and Mrs. F. R. Doss of Rockdale; Mrs. Ray Binns, Mrs. John Clark, Mrs. Joe Clark, Mrs. Eugene Marley, Miss Bertha Pendergrass, Mrs. David L. Piper, Mrs. John Rasberry, Mrs. Luther Reaves, Mrs. Bruce Royal, Mrs. S. C. Souther, and Mrs. Byron Stubbs of Rosebud.

PERSONALS—

Mr. and Mrs. Roy Richards and Miss Lillye B. Dyers of Rockdale, Mr. and Mrs. Virge Blackmon, and Alice and Brenda of LaPorte, Texas, Mr. and Mrs. A. L. Slot, and Gary, Jimmy Ray Slot, Mrs. Bill Hinton, Mrs. Bill White of Crosby, Texas were guests in the home of Mrs. Zeddie Blackmon and son Lesser Newton.

THE LAY-BOZKA HOUSE in Hallettsville is one of the most distinctive structures of 19th century Texas. Sometimes called the "wedding cake house" because of its elaborate ornamentation, it was built during 1878–1882 by Dr. James E. Lay, a local physician and Civil War veteran. The designer was Victor Hugo, a French diplomat and architect. The late M. I. Bozka, former city mayor, acquired the house in 1948.

Hallettsville in Model Project

Using only its good will, Hallettsville is helping to solve one aspect of the urban-environmental crisis—thanks to the efforts of a volunteer team from the Texas Society of Architects.

Because of its historic past, its position as a county seat, and its small size, this town was chosen as a model for an ideal plan to revamp county seat towns.

The purpose of the architects' plan is to bring to public attention ways and means of refurbishing historic county centers as active, productive, and stimulating environments for the people who live there.

Presently working on the study is a six-man Committee on Historic Resources, a subsidiary group of T.S.A.'s special Commission on the Environment.

Garden Club Has Program On Bulbs

Mrs. Preston Childers of Temple was guest speaker for the Fleur de lis Garden Club meeting Tuesday night.

The Club met at the home of Mrs. Delbert Burlison with Mrs. Derwood Cobb and Mrs. Don Marquart serving as co - hostesses. Guests were Mrs. Jack Woods and Mrs. John Waters.

Mrs. Childers is a Nationally Accredited Flower Show Judge and a life member of Texas Garden Clubs, Inc. She has gained state-wide recognition for developing new varieties of iris and lillies. Her program, entitled "Miracle of the Bulbs" detailed planting and care of lillies,' iris, amarilus and tulips. Mrs. Childers advised planting Kaufmania tulips in the Cameron area.

Dessert and coffee were served by the hostesses following the meeting.

Fire Dept. Auxiliary Organized

The Cameron Fire Department Auxiliary held an organizational meeting October 13 with 13 ladies present.

Officers elected are: Jo Ann Thompson, president; Pearlie Krenek, vice president; Judy Simpkins, secretary; Kathleen Lewis, treasurer; and Jean Krenek, reporter.

The next meeting will be held November 3 at the Fire Department. Wives and daughters of members and retired members of the fire department are urged to come.

Shower Honors Bride-Elect

Miss Cecilia Ann Sevcik bride - elect of Mr. Bernard Stuchly was honored with a miscellaneous shower Sunday, October 11, at the Marak Parish Hall.

Receiving the guests with the hostesses, were the honoree and her mother, Mrs. Joe Sevcik, Mrs. Lad Stuchly, mother of the prospective bridegroom, and the grandmother of the bride, Mrs. Joe F. Bartek.

Presiding at the bride's book was Mrs. George D. Knapek, sister of the bride, Miss Patsy Sevick registered the guests, and Miss Betty Jane Plachy assisted in helping with the gifts.

Other hostesses were Mrs. Anton Sevcik, Mrs. Jerry Plachy, Mrs. August Hubnik, Mrs. Edward Sevcik, Mrs. Bruce Massingill, and Mrs. Myron T. Holloway.

A bride and a bridal shower umbrella centered the serving table which was covered with a white lace table cloth. Appointments were of silver and crystal.

Blue crepe paper was used to decorate the gift table which carried out the bride's choosen colors.

The price of food purchased for use at home increased 25.8% in the ten-year period ending December, 1969, while the overall cost of living rose 31.3%.

Seminar For Writers At Baylor

A Christian Writers Seminar, designed to help Christian writers penetrate the popular market, has been scheduled for November 16 and 17 on the Baylor University campus in Waco.

The two-day seminar features four well-known writers and editors as leaders, who will lecture and direct workshop sessions. The activities are sponsored by the Christian Writers Council, of the Lilly Foundation, and Word Books of Waco, in cooperation with Baylor University.

Dr. Charlie W. Shedd, director of the Christian Writers Council and author of several best-selling titles; Dr. Kenneth Chafin, chairman of evangelism for the Southern Baptist Home Mission Board; Floyd W. Thatcher, vice president and senior editor of Word Books of Waco; and David A. Cheavens, chairman of the Baylor Department of Journalism, are seminar leaders.

Applications for the seminar are being accepted. They should be sent to Christian Writers Seminar, P. O. Box 1790, Waco, Texas 76703 before November 10. A $15 registration fee can be paid upon acceptance to the seminar or at the beginning of the two-day course.

This seminar to train Christian writers is one of numerous meetings sponsored by the Christian Writers Council. The council is interested in discovering new writers and helping Christians learn to write for the masses.

Market Report

Receipts Thursday at Cameron Livestock Auction totaled 1,325 cattle and calves, compared to 900 last week and 1,030 last year.

Prices compared to the close of last week. Demand was good, with a large buying attendance. The downturn in prices has been present at most Central Texas auctions for the past week.

The run included about 87 percent feeder cattle and calves, 10 percent slaughter cows and bulls with the remainder mostly stock cows.

Prices paid Thursday were:

STEERS: Good and Choice Fed Steers and Yearlings	27.50 29.00
Common to Med.	26.00 27.25
Fat Cows	18.00 21.00
Canners and Cutters	17.00 21.50
Stocker Cows	22.00 26.00
Butcher Bulls	26.00 28.75
Bull Yearlings	27.00 34.00
CALVES: Good and Choice Salughter Calves	29.00 32.00
Common to Med.	28.00 28.75
Culls	25.00 27.75
Culls	25.00 27.00
Good and Choice Stocker Steer Calves	31.00 36.00
Good and Choice Light Stocker Steer Calves	37.00 44.00
Heifers	29.00 32.00
Medium to Good Stocker and Feeder Calves	29.00 32.00
COWS & CALVES:

Buckholts

By Mrs. Edwin Gandy

We are glad to say that Mr. W. H. Gilbert is able to be back home after spending some time in Scott and White Hospital.

Mr. Tal Woodward is very ill in Newton Memorial Hospital. His daughter Mrs. Mary Ethel Copeland is here to be with him and her mother during his illness.

Mr. and Mrs. E. E. Phillips have been moved from the hospital to the nursing home in Rockdale. They are both some better.

Mr. B. M. McMillion is also on the sick list. He is a patient at Newton Memorial Hospital in Cameron.

Mrs. Mildred Wheeler of Cameron visited in the Steve Burtis home on Sunday and Monday.

Mrs. Jewel Collier from Waco spent some time this week visiting her sister, Mrs. Orba Arnold. While here they also visited in the Aud Matthews home.

Earl Allison visited his sister Mrs. Vera Joyce in Bartlett on Sunday.

Howard Peeler of Bryan was home over the weekend with his parents Mr. and Mrs. N. E. Peeler.

Maysfield

Mrs. Leroy Massengale of Austin spent the week in her Maysfield home.

Mrs. Herbert Thweatt and Stevie spent the weekend in Austin with her son, Mr. Herbert Thweatt Jr., and Mrs. Thweatt.

Visiting Mrs. E. L. Massengale this weekend were Mr. and Mrs. Charlie Tabor and children of Temple, Mr. and Mrs. Son Barton and children of Austin, Mr. and Mrs. Weevil and children of Austin and Mr. and Mrs. Wallace Massengale of Houston.

Mr. Frank Tyson and daughters of Houston spent the weekend with his mother, Mrs. Belle Tyson.

Mr. and Mrs. Johnny Yates, Jr. of Rockdale spent the weekend with his parents, Mr. and Mrs. Johnny Yates.

CAMERON HERALD

PROGRAM BUILDERS - Shown at a meeting of the Milam County Program Building Committee Oct. 12 are: front row, from left, Mrs. Jacquelyn Ware, W. S. Turner, J. D. Moore, Christine Laws, Miss Annie Lucy Lane, District HD agent. Back row, John Snell, Joe P. Mueck, Danny Phillips, Henry N. Ivey, Mrs. Clyde Holliman and Max McClaren.

McClaren Heads County Program

At a meeting of the Milam County Program Building Committee on October 12 new officers were elected with Max McClaren of Cameron as chairman; D. S. Smith, Jr. of Gause, vice chairman; and Mrs. Clyde Holliman of Rockdale, secretary.

Program building is a continuous process by which representative county leaders, working with county Extension agents, other local agencies and resource persons, study and determine the county situation, identify major problems, establish objectives and plan and carry out a program of education and action designed to help the people reach their objectives.

The county program building committee is an organized group of voluntary leaders broadly representative of the social and economic structure of a county, and who with the help of the county Extension agents, other agencies and resource persons, develop the county program.

This committee serves as a channel for bringing problems of the people to the attention of local groups and agencies concerned and for taking needed information to the people.

Representation on the committee is both geographical and organizational to insure active participation from all areas of interest over the county.

The number of members will vary from county to county, but is broad enough to represent the major segments of the population and the interests of the people.

In August 1936, the State of Wisconsin paid the Nation's first unemployment insurance benefit check. Since then, $57 billion have been paid out under regular and special unemployment insurance programs.

Harbour Moving To Atlanta

Rev. Brian Lee Harbour, son of Mr. and Mrs. B. F. Harbour of Rogers, has been called to the pastorate of Woodland Hills Baptist Church in Atlanta, Georgia.

He will assume the new ministry on October 25, accompanied by his wife, the former Janet Sportsman of Kansas City, Mo. and their young son Jay.

For the past two and half years Harbour has been pastor of the First Baptist Church of Calvert. He graduated from Baylor University in 1966, and has completed the work on the doctor of philosophy degree at Baylor except for the dissertation. Mrs. Harbour also attended Baylor University.

While a student in Rogers High School, Harbour lettered in all sports and made all-district in football in his junior and senior years. In summers then he played baseball in the Temple league. He became an Eagle scout at Rogers.

Half of the nation's potential oil and gas reserves remain to be discovered, say geologists.

Baptists Set Milam Meeting

Jay L. Skaggs of Dallas, associate treasurer for the Baptist General Convention of Texas, will represent the Convention at the Milam County Baptist Association October 22 at San Gabriel.

The 52nd annual meeting of the Milam Baptist Association will convene in two sessions, at 2 p.m. and 7 p.m. Oct. 22 at San Gabriel Baptist Church, according to Rev. J. O. Morman of Rockdale, FIRM area missionary.

Rev. James E. Lafferty, pastor of the First Baptist Church, Cameron, is moderator for the county association and Rev. N. A. Mills, pastor of Meadowbrook Baptist, Rockdale, is vice-moderator.

Miscellaneous business and reports from all departments of work will be presented at the afternoon session. Rev. Lafferty will preach the annual sermon at 4:55 p.m.

Supper will be served by the host church at 6 p.m. and Skaggs will bring the principal address at the evening session at 8:20 p.m.

Earl Roberson of Rockdale will be in charge of music at both sessions.

"A nursery will be provided and all churches of the association are encouraged to be represented," Rev. Morman said.

Skaggs, the visiting speaker, will succeed Dr. R. A. Springer, as treasurer of the Baptist General Convention of Texas on Jan. 1. A native of Healdton, Okla., he is a University of Oklahoma graduate.

JAY L. SKAGGS

The Dallas resident has a varied business background: department manager for Butler Bros., Dallas, 1946-50; store manager for Hunts Department Stores, Dallas, 1950-57; general manager, Garland Times-Reporter, 1957-58; and business administrator, Cliff Temple Baptist Church, Dallas, 1958-64.

Skaggs and his wife, Erma, have 2 daughters, Virginia Ann, 22, and Mary Lynn, 19.

Yates Honored

continued from Page 1

a record of participation in local and state FFA activities and they must have completed all of the vocational agriculture instruction offered in their high school.

Candidates must have been out of high school for at least a year and must have in operation, an outstanding supervised farming or agribusiness occupation program.

American Farmer applicants must have earned at least $1,000 by their own efforts through their occupational experience program and must have their earnings productively invested or deposted in a bank.

Finally, the American Farmer candidates must have demonstrated outstanding ability through their leadership and cooperation in student, chapter and community activities. They must have a satisfactory scholarship record as certified by the local school superintendent or principal.

YOEMEN

continued from Page 1.

On the next play a procedure penalty moved the ball back 5 yards bringing the down to third and eight instead of third and three.

Cummings then dropped back and hit Brashear at the 2. Ernie De La Rosa got a yard and Cummings fell short by inches.

With a third and goal Brashear plunged across the double stripe. The PAT was good and Yoe led 21-0.

A short punt set up Yoe's final march which covered 38 yards. Cummings dropped back and hit his tight end, Mike Zajicek, across the middle for a 9 yard gain. Brashear picked up the first down at the Chap 24. Cummings added 4 bringing up a second and six situation.

Cummings called a pass play to his halfback De La Rosa which in turn fell incomplete.

Facing a third and six, Cummings turned and handed to Richardson around end. The Yoe back slashed his way 20 yards for Yoe's final touchdown.

Dodson's kick was good. The Yoemen are now 1-0 in district play and will travel to meet the Georgetown Eagles next week.

Rogers 40, Lexington 0

Rogers opened its second district game by scoring early in the first period on a 4 yard dash by quarterback James York.

Halfback Lucas Jiminez broke 22 yards on Rogers next possession. Then with a 13 point lead. Eagle halfback Homer Smith manuevered his way 63 yards to paydirt.

Rogers could muster but one score in the second quarter, that came on a 20 yard scoring strike form York to Robert Skrhak. The PAT failed.

Rosebud-Lott 42, Madisonville 6

Quarterback Ken Coulter scored three touchdowns in leading his Cougars over scrppy Madisonville 42-0.

Luther Alexander added two tallies along with Lindburg Johnson picking up the final TD to round out the scoring.

Tim Kirkscey kicked six PAT's in aiding the Cougars to bring their district record. Madisonville dropped back to 0-2 in lop loop play.

HIGHEST FFA DEGREE - Bobby Yates, right, receives the certificate naming him American Farmer from Harry Birdwell, national Future Farmers of America president. The American Farmer Degree is the highest degree awarded FFA members. Bobby, son of Mr. and Mrs. Johnny Yates of Cameron, was one of 471 members receiving the degree at the National FFA Convention held in Kansas City, Mo.

P&W Film Wins Award

"Crisis on the Coast," a film sponsored by the Texas Parks and Wildlife Department and four other coastal States along with the U. S. Bureau of Sports Fisheries, has won an award for "creative excellence" from the U.S. Industrial Film Festival.

The 14-minute film, renamed from "The Biologist and the Boy," and being shown in commercial theaters over the State, points out the deteriorating condition of the estuarine environment and the implications of this condition.

The film was narrated by Arthur Godfrey.

A similar but longer film, "Estuarine Heritage," is available from the Texas Parks and Wildlife Department Film Library in Austin.

Waco Symphony Readies Concerts

The Waco Symphony Orchestra, one of central Texas' important cultural assets, is about to launch its ninth season of concerts featuring the all professional Waco Symphony Orchestra under the direction of Daniel Sternberg and presenting three internationally celebrated solo artists.

The opening concert of the season, scheduled for November 9, will feature one of the world's great pianists, Gary Graffman, in an all-Beethoven program in commemoration of the 200th anniversary of the composer's birthday.

The second program, January 25, will present the brilliant young American violinist, James Oliver Buswell, IV. Since he won the famed Merriweather Post - Competition in Washington, D.C. at the age of fifteeen in 1962, Buswell has gone from success to success until he is now ranked with the finest violinists in the world.

Gabriella Tucci, one of the reigning queens of the operatic stage, will appear on the third program, March 1, in a group of Italian arias from operatic roles that made her world famous.

All Waco Symphony programs are given in Waco Hall auditorium on the Baylor University campus. The Orchestra which numbers 76 players is composed of musicians of Waco and of the Baylor School of Music augmented by a number of players from the Dallas Symphony Orchestra.

The conductor, a graduate of the Vienna National Academy of Music, conducted extensively in Europe and Russia before coming to the United States. Maestro Sternberg is Dean of the School of Music of Baylor University.

Season tickets for all three events are now on sale at a substantial savings over the individual ticket price. For example, a good seat in the first balcony costing $14 for three individual events may be purchased for $10 on subscription.

Ticket information may be obtained from the office of the Waco Symphony Association, P. O. Box 62, Waco, Texas 76703 or by telephone, 754,0851.

No. 10 Vehicles Are Due Reinspection In October

On September 1, 1969, the State of Texas changed to an annual system of Motor Vehicle Inspections. The old April 15 deadline was abolished and the law changed to require reinspection not later than the last day of the month, 12 months from the date of the last spection.

The month is indicated by the large numeral placed on the face of the inspection certificate. Under this procedure, all vehicles which were inspected in October, 1969, were issued a red certificate with a numeral "10" and must be reinspected by midnight, October 31, 1970.

All motor vehicles and certain classes of trailers are subject to the mandatory inspection which includes brakes, lighting equipment, horns and warning devices, mirrors, windshield wipers, front seat belts in vehicles where seat belt anchorages were a part of the manufacturers original equipment on the vehicle, steering (including power steering), wheels and rims, exhaust system and the exhaust emission system.

State law requires that inspections be made at privately owned official inspection stations which have been appointed by the Department of Public Safety. The statutory inspection fee is $2, with adjustments or repairs extra if required.

Patrolman O. D. Lewis, the Department representative for the Motor Vehicle Inspection Service in the Milam County area advises that there are 11 inspection stations in this area to handle the inspection of vehicles.

Patrolman Lewis urges motorists to check the inspection certificate on their vehicle and arrange to have inspections made early to avoid the rush around the inspection stations near the end of the month. He also makes the following suggestions to car owners:

1. Do not permit shoddy inspection practices.

2. Report violations of inspection procedures to authorities.

3. Rely on sound driving practices, as well as a mechanically safe vehicle to prevent traffic accidents.

Under this program, it is well to remember that your safety inspection certificate will be issued when your vehicle has been approved. It will be affixed in the lower left-hand corner of the windshield. Each certificate will contain a number tab showing the month of expiration - 12 months from the date of inspection.

Jehovah's Witnesses Attend Convention

Jehovah's Witnesses in Cameron returned home this week from attending their circuit convention in Corsicana.

Attending from Cameron were the Durwood Herbelins, Fred Starnes, Harold Greens, Mrs. Mozell Holland, and Mrs. Leroy Nunn and three children.

A total of 1075 were there to hear the main address on Sunday entitled, "Who will conquer the world in the 1970s?" District Supervisor E. R. Brandt delivered the address.

You Don't Say . . .

IMPRECATE

If you are referring to being involved or concerned in a plot or cime or an undesirable stituation.

IMPLICATE (IM pluh kate) means to involve or call down some curse or calamity; to IMPRECATE evil upon a person.

A confusing similarity--- an interesting difference-- and--- one which will quickly reveal the extent of your knowledge of words.

Copr. by Adria Allen

Jobless Rates, Increase, U.S. Labor Dept. Reports

Employment remained essentially unchanged in September while unemployment increased, the U. S. Department of Labor's Bureau of Labor Statistics has announced.

The increase in unemployment was concentrated among 16-24 year olds and brought the overall unemployment rate to 5.5 percent in September.

Jobless rates for men 25 years and over were unchanged over the month at 3.0 percent, while the rate for women 25 and over edged up from 4.1 to 4.4 percent.

Primarily as a result of the increased unemployment among young workers, the overall unemployment rate rose to 5.5 percent in September, the highest level since January 1964.

Among the occupation groups, the jobless rate for blue-collar workers rose from 7 to 7.5 percent in September while the jobless rate for white collar workers, at 2.8 percent, remained relatively unchanged over the month.

The unemployment rate for persons whose last job was in the construction industry rose sharply over the month to 13.8 percent, the highest rate since March 1963.

Over the year, unemployment has risen by 1.3 million -- 650,000 adult men, 395,000 adult women, and 290,000 teenagers. Four - fifths of the increase was among full-time workers, mostly those who had lost their last jobs.

Over the year ending in August 1970, average weekly earnings rose by 4.8 percent; after adjustment for consumer price changes, however, earnings were down by 0.8 percent.

Cattlemen Endorse 3rd Amendment

FORT WORTH

The taxation of agricultural land according to its earning power received the endorsement of the directors of the Texas and Southwestern Cattle Raisers Association at their fall quarterly meeting at College Station in September.

Amendment No. 3 on the November 3 general election ballot is strongly supported by these cattlemen as a fair basis for land taxation.

President Frank H. Lewis of Bay City urged all agricultural groups to work toward the passage of this amendment. Urban expansion and real estate developments are causing tax assessments on ranchers that are far out of line with the productive ability of the land.

"The present system of assessment of land taxation varies all over the map, and assessment on speculative value rather than ability to produce is forcing many farm and ranch land owners out of business," Lewis said.

He explained that elected tax assessors assess land within each county and for the most part were assessing on productive ability.

"However, with urban expansion, real estate developments, and other use, land prices are upped and assessed accordingly. Then the land across the fence also is reassessed at the higher rate, even though it still is used for bona fide crops and production of livestock," he added.

'Dare' Says Barnes To MHB Group

BELTON

Lt. Gov. Ben Barnes Thursday challenged the students of Mary Hardin - Baylor College to "dare to dream, dare to want to change this country and this world."

In his address in Walton Chapel, Barnes stressed the importance of education by calling it "the number one area of concern for all our political system."

He said, "You are the most concerned generation of people our country has ever produced. You have an opportunity to see our country solve many of its urban problems, to see our nation live at peace with other nations of the world. You can dream impossible dreams and reach the unreachable stars."

Barnes, the youngest Lieutenant Governor in the history of Texas, said, "I am glad for the opportunity to visit with today's young people."

Murray Watson, State Senator from the Bell County area, was present at the program.

A luncheon, sponsored by Wallace Law and other businessmen from the area, was held following the program.

Computer Speeds Home Plan Choice

Some West Coast builders are saving time and money with computerized estimating of costs from house plans. One builder reported saving $1200 a house in a tract of 114 homes at Anaheim, Cal.

Computer service turns out as complete and accurate a cost profile from preliminary drawings as a conventional estimate can from full working blueprints, it is claimed.

And different designs can be compared so one can be chosen to provide the most space for the money. Service fee is around $250 per house.
